Greetings, Beta Delta sisters!

Many of you were able to attend the Scholarship Auction... and what a fabulous event that was! Classy, funny, friendly, and all around a good time! Hopefully you went home with some item(s) you needed, or even some you didn't know you needed! Not sure how much the auction brought in for the Scholarship Fund, but it certainly seemed to be going in the right direction!

Just a reminder that our December meeting will be held at the First United Methodist Church. Remember to let the calling committee know if you are coming AND if you will be bringing a guest (see last month's newsletter regarding sharing the gift of Delta Kappa Gamma...) Then bring on those cookies—half a dozen to share and an extra half a dozen to use in the cookie/ornament/small gift exchange unless you go for the ornament/small gift route. Someone asked me how we'd handle the exchange and I believe it will go the same as we have done before.

Have a great Thanksgiving everyone!

**MISSION STATEMENT**

The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

Edna made really yummy cupcakes for our dessert!

Lottery Bouquet

A Buck for a Buckeye and Gift Card Tree

Winners of the 50/50 and Lottery Bouquet will be announced later. I'll send an email. That email will also announce what amount we made at the auction. Look for it by the end of the week.

Photos from the evening. Please go to our website [LickingCountyTeachers.weebly.com](http://LickingCountyTeachers.weebly.com) for many more.

If you could not attend, or didn't find anything to purchase, we would appreciate a donation to the Scholarship Fund. Send to Debbie Jones 1795 Cherrywood Dr. Newark, OH
